**OPPORTUNITIES FOR SERVICE** The operation of conventions and the maintenance and improvement of the property are the combined effort of convention committees, a small staff and a large group of volunteers. As the ministry of the convention grows there are more opportunities to be involved. This page "tear out" section gives many of the options available and your opportunity (again) to contribute in an area that suits you. You may assist during conventions (one or more) or at other times as you may indicate on the last page.
