WELCOME TO 2024 EASTER CONVENTION

It's my privilege to welcome you to our Easter Convention for 2024. The theme this Easter is **Beginnings**. We will explore together what it means for our lives that the God of the universe (our God) created each one of us for His pleasure and purpose. God's Son, Jesus meets us on our journey and enables us to have a 'fresh start' in our knowledge and relationship with God.

We are pleased to have **Alasdair and Rachel Paine** (Cambridge, UK) among us and look forward to Alasdair opening up the first four chapters of Genesis. He will challenge us with what it means to be created in the image of God.

David and Maxine Cook have been with us several times and we welcome them back to Convention. David is introducing us to 'the Jesus people met' from the gospels and the life of the early Church.

Other information of what is happening around the Convention grounds at different times can be found on p2 & 3.

May this Convention be an encouragement for us to journey forward in our Christian walk, both individually and corporately.

Richard Coombs.

MISSION STANDS – EASTER CONVENTION 24

CMS is an evangelical interdenominational mission agency that sends long-term cross cultural workers in order to see a world that knows Jesus.

We are a global community of Jesus followers driven by a deep conviction that everyone deserves to hear the gospel at least once. We partner with God to see lives and communities transformed by His love and grace, while experiencing our own transformation through faith and serving.

As a Bible teaching ministry we are committed to creating a passion for God through His Word. We work with Churches, Schools, Bible Schools, and run a YouTube Channel. We have the greatest tools to teach the Big Picture of the Bible so you can be a self feeder.

Melbourne School of Theology (MST) is a non-denominational, evangelical Bible college that is devoted to training men and women who have a heart for ministry and mission with a solid Biblical grounding in God's Word.

Our story begins with a passion for people! We desire everyone to have an encounter with Jesus so they may understand the hope his story brings. We have a heart for Australia, that our country will experience the joy of knowing Jesus. And, our calling is for the nations to know God and his love for them that lasts for eternity.

Langham Partnership exists to see churches in the Majority World equipped for mission and growing to maturity in Christ through the ministry of pastors and leaders who believe, teach and live by the Word of God.

Prison Fellowship exists to share the gospel of Jesus Christ with prisoners and their families.

Our Vision is to see people from every language group living as disciples of Jesus Christ through the power of God's word in a language that speaks to their heart. We work in partnership with the church in making disciples of people from every language group through Bible translation into vernacular languages.

Pioneers Australia seeks to mobilise teams to glorify God among unreached peoples around the world by initiating church planting movements in partnership with local churches.

Medical Mission Aid partners with local Christians in developing countries to assist in the advancement of effective healthcare in disadvantaged communities.

This is achieved through provision of medical scholarships, grants for medical supplies and supporting locally led preventative health initiatives.

MISSION STANDS – EASTER CONVENTION 24

Prepare the Way, Victoria (representing WEC and European Christian Mission) mentors people who want to grow in their understanding of, and journey in, mission.

DFN exists to see hope and dignity restored to exploited people in South Asia, through holistic ministries including Education, Healthcare and Economic Empowerment, with a specific focus on abused and trafficked women and girls.

Steer was established in 1962 to help multiple giving to mission and outreach work overseas and in Australia. In 62 years, we have given over 93 million dollars.

RTC is an independent, non-denominational college in the heart of Melbourne's city. Our experienced and engaging lecturers help men and women connect reformed evangelical theology to the realities of life and ministry.

For 130 years, SIM has been committed to making Christ known in communities where He is least known. Our heart is to make disciples of Jesus in communities where He is least known.

MMM Australia

MMM Australia exists to spread the Gospel by building, renovating and maintaining facilities used in Christian outreach throughout Australia and around the world.

**YOUTH
FOR
CHRIST**

Youth for Christ Australia is part of YFC International, a Christian inter-denominational, non-profit, evangelical youth movement operating in over 110 countries. It is our desire for all young people to encounter Jesus, to experience radical freedom and to truly understand their identity as sons and daughters of God.

Barnabas Aid work to provide hope and aid for suffering Christians. In this way we witness to the love of Christ and build His Kingdom.

International Needs Australia is a next-generation global social impact organization that empowers marginalized women and children through transformative community partnerships. We focus on sustainable 'hand-ups' and foster innovation and scalability to help women and children from diverse backgrounds realise their full potential.

Heart for Asia. Hope for Billions.

We support the growth of the East Asian church, serve its communities and take the good news of Jesus to people that have not heard it.

EASTER 2024 MINISTRY & FINANCIAL UPDATE

We entered a new era of **opportunity** for Convention ministry in 2024.

Like all opportunities ours needs to make the transition from concept to reality. A new building needs to move from a completed but empty one, to a site buzzing with activity. Our ministry dreams need to move from ideas/visions to Conventions happening, with people expectantly attending to hear God speak to them.

The 'Hope Centre' is completed and is in operation. To enable our guests to enjoy their stay, we are working on completing the landscaping and constructing recreation facilities. Unfortunately, the recent storms in Belgrave were severe and the clean-up has temporarily slowed progress on these activities.

We are very keen to see the usage of the 'Hope Centre' build up to sustainable levels in the near future. We are wanting this period to be as short as possible to minimise our financial obligations. You can help introduce us to those organising conferences, church camps, leaders' retreats, and school camps. Encourage these people to come and see the facilities as most people who see their high standard are keen to book them.

A prime reason for building the 'Hope Centre' is to enable our Convention ministry to expand and be a place for other Christian ministry. Please encourage attendance at our existing Conventions and pray for us as we actively work on introducing new Conventions.

As we seek to realise the opportunities in front of us you can help financially by:

1. Helping to meet the financial needs of Easter Convention through cash offerings, gifts at the terminals at reception, or online at bhc.org.au (suggested \$90.00 per person across the Convention period);
2. Becoming a 'Friend of the Convention' through the cards distributed at Easter or on the website;
3. Continuing to support the 'Hope Centre' through interest free loans to reduce our interest costs on the new building. Contact reception if you can help.

All one in Christ Jesus

Pleased to meet you. Allow us to introduce ourselves.

Our vision is to develop spiritually mature Christians, whose faith and practice is anchored in the Bible through the teaching and applying of God's word.

We're a Bible-preaching Convention ministry.

We're interdenominational.

We grew out of the tradition of the Keswick Convention in the UK.

Our ministry has continued since 1918.

We aim to serve and strengthen the church of Jesus.

We run on volunteer power: over 100 people enable this ministry every year.

We are based at our Convention Centre at Belgrave Heights, in the hills east of Melbourne.

Our motto has always been 'All one in Christ Jesus'.

We run multiple Conventions – Summer, Easter, VCYC (Youth), Men's, Women's, IDEAS (Apologetics), Songs of Praise, Senior's, 50+ Getaway.

PERSEVERING FAITH

We are delighted to have three speakers for our **2024-25 Summer Convention** who will be encouraging and challenging us with messages from the life of Moses and the book of Hebrews.

Our overseas speaker is **Chris Sinkinson** who will lead us through different experiences the leader of the children of Israel, Moses, had. Chris has been a lecturer at Moorlands College (Devon, UK) but has recently become Assistant Pastor at Lansdowne Baptist Church.

We have two local preachers leading us through the book of Hebrews. **Gillian Asquith** (New Testament lecturer at Melbourne School of Theology) will be sharing these messages with a previous Convention speaker, **Mike Raiter** (Director, Centre of Biblical Preaching).
